3. About the Initiative

Feature	Description
Heading	*About Pre-Incubation Centres (PICs)* Pre-Incubation Centres (PICs) are innovation-focused center established in university departments, affiliated colleges, and recognized institutions under Sant Gadge Baba Amravati University. Their primary objective is to identify, nurture, and support innovative ideas from students and researchers at the grassroots level. These centres provide a structured environment where ideas can be transformed into Minimum Viable Products (MVPs) through mentoring, workshops, and technical support. All PICs function as sub-centres of the SGBAU Research & Incubation Foundation and help create a seamless pipeline for budding entrepreneurs toward full incubation and startup development.

4. List of Participating Colleges district wise

Feature	Description
